Preparing Your Merchandise

- **Selecting your items:** The appearance of your items will do much to help them sell. Baby equipment should be clean. Clothes that are clean, smell fresh, and are pressed, with buttons and zippers closed, look newer and generally sell better.
- **Tagging your items:** Please tag items with only 3x5 index cards and safety pins. Please do not use paper and straight pins, paper clips, or small gold pins. Use heavy, clear packing tape to attach cards to non-clothes items. Scotch tape will not hold.

Consignor # ①	Description	Size	Price
SAMPLE TAG	3X5 CARD	"ND" (optional)	

Pin tag on left shoulder side

- **Packaging toys and shoes:** Please do not bag shoes. Simply place your tag on the soles of the shoes and tape together or pin tag to laces. Group small toy items together in a Ziplock bag. Insert the 3x5 index card into the bag. This is also great for securing bags of small toy items so that small hands can't reach in and lose parts before a sale is made. Please include batteries and make sure that items are in working order.
- **Hanging your clothing:** All clothing must be on hangers. Infant gowns and sleepers included. The hanger hook should face the left with the tag pinned onto the right shoulder of the garment, as you face it. Pin sets together on one hanger, with the pants/skirts pinned to the outside so both pieces can be viewed. Sets tend to sell better than individual items, so match things up when possible.
- **Describing your items:** Give a short description on each 3x5 index card/tag, in case it becomes separated from the item. Add a **D** with a circle around it in red marker under the Consignor # if you want to donate your item.
- **Pricing your items:** You set the prices of the items you bring. Price competitively to sell! We suggest no more than one-third of the original price, depending on brand and condition. Please keep use full dollar increments (\$2 instead of \$1.99, \$6 instead of \$5.50, etc.)
- **Discounting your items:** If you do not want an item to be sold for half-price on Sunday, put "ND" (no discount) in the bottom right corner of your tag. If you are going to donate your items, please do not "ND" them.
